

Vem vet

(Lisa Ekdahl) (En vers och en refräng. I låten sjunger Lisa versen, refräng, refräng och versen igen)

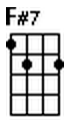

Intro:     .

Du är en  saga för  god för att vara  sann

Det är en  saga i sig  att vi funnit  varann

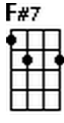

Vi kunde  lika gärna, 

aldrig nånsin  mötts 

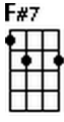

Eller var vårt  möte redan  bestämt långt innan vi  fötts

Refräng

Vem vet, inte  du Vem vet, inte  jag

Vi vet ingenting  nu Vi vet inget  idag

Vem vet, inte  du Vem vet, inte  jag

Vi vet ingenting  nu Vi vet inget  idag
